If you choose to cheat, there's a name for that, it's Easy Street.

B7 E G#m7 A B7 E G#m7  
And if you find yourself in a lie, forget the alibis, apologize.

No one appreciates truth in disguise. The holes you dig will just grow deeper with time.

They'll just grow deeper with time.

If you feel the need to steal, do the math and get back on the right track.

If you took it then just take it back, 'cause when you steal you rob the joy outta life.  
A B7 E G#m7 A B7  
You rob the joy outta life.

## Chorus

A7 B7  
And when you cheat you're only cheating yourself,  
A7 B7  
And when you, when you lie you look like a fool.  
A7 B7  
Don't rob the joy from your life,  
A7 B7  
Just forget The Big 3, and live life happily!
