

# Things We Do for Love

from **THE FLOOR IS LAVA**  
by **Mr. S & The Sandbox Band**

Key: G

## Verse 1

**G**  
I need a shoebox, Mama. Can you take it down? I wanna,  
**C D C D G**  
Cut a hole in the top, and decorate it with hearts and other stuff.

**G**  
I wanna write my name on the bottom, one for each of my friends I got 'em,  
**C D C D G**  
Folded and ready to go, with an extra piece of candy for that girl I know.

## Chorus 1

**D C G**  
This shoebox is my chest, and this candy is the best way to say,  
**D C G**  
That I want her to be my valentine, and I hope that she'll consider being mine.

## Verse 2

**G**  
This plastic bag's heavy. We form a line and then we're ready,  
**C D C D G**  
To drop them into the slots, and then I see her in that dress with polka dots.

**G**  
Ginny and her are talking, and I can feel her watching.  
**C D C D G**  
Out of the corner of my eye, I can see her smiling at me as I walk on by.

## Chorus 2

**D C G**  
This shoebox is my chest, and this candy is the best way to say,  
**D C G**  
That I want her to be my valentine, and I hope that she'll consider being mine.

### Verse 3

**G**  
I see her handwriting, I read the ingredients and feel like crying,  
**C D C D G**  
This candy's made with nuts, she doesn't know that I'm allergic to this stuff.  
**G**  
What will Mama say, when she finds out that I ate it anyway,  
**C D C D G**  
But I feel so alive, is this love? No, it just turned out to be hives.

### Chorus 3

**D C G**  
Please don't make me beg, stick that EpiPen into my leg and I'll be fine.  
**D C G**  
This paper heart's your valentine, and I hope that you'll consider being mine.

### Ending

**G G**  
Oh, the things we do for love. Oh, the things we do for love.  
**G G**  
Oh, the things we do for love. Oh, the things we do for love.  
**C D**  
Oh, the things we do for love. Oh, the things we do for love.  
**C D**  
Oh, the things we do for love. Oh, the things we do for love.
